

ENERGY OUTREACH

Grant Qualification Guidelines

The Telluride Foundation provides Energy Outreach Colorado (EOC) grants to help limited-income households pay their home energy bills. Household eligibility will be determined based on the following criteria:

- 1) During the LEAP season (11/1 – 4/30), you must have a letter from LEAP either denying assistance or you have already used LEAP assistance and still have outstanding energy bills or you are over the income limits for LEAP.
- 2) You must be at least one day past due on your energy bill.
- 3) You have not received assistance during the past EOC year (Begins Nov. 1 and ends Oct. 31)
- 4) You must pay your energy bill directly to your energy provider and not through another method, such as part of your rent.
- 5) You must be a resident of San Miguel or west Montrose counties.
- 6) To submit an application, you must provide the following:
 - **Energy Outreach Colorado Utility Assistance Application** (also available in Spanish)
 - **Confidentiality Agreement & Consent to Disclose Form**
 - Bill showing utility account is one day in arrears and that account is in your name
 - Proof of residency in San Miguel or West Montrose County (may use utility bill)
 - A copy of your driver's license and driver's license number
 - Statements or documentation demonstrating financial need (copies of last pay stub, copies of bills, and/or tax statement, a list of other financial commitments (other bills, mortgage or rent, insurance, medical bills etc.)
- 7) Once the application is submitted, the applicant may be contacted for additional information or questions. Completed applications will be reviewed by Telluride Foundation staff in complete confidence.
- 8) Telluride Foundation may call LEAP or utility providers to confirm application information.
