

Early Childhood Education Outcomes

Theory of Change Statement: *By providing funding to nonprofit organizations with early childhood education missions, the Telluride Foundation expects to improve the quality of life of the Telluride Region by increasing kindergartn readiness among children ages birth through five in the Telluride region.*

Outcomes:

- 1) *Increased kindergartn readiness among children ages birth through 5.*
- 2) *Increased participation and diversity of children participating in early childhood education.*

Indicators	Measurement (1 year period)	Baseline Value	Baseline Source
1) Number of pre-kindergarten children assessed by the Colorado State School Readiness Assessment tool - Teaching Strategies GOLD	Teachers Strategies Gold Assessments pre-kindergarten	NC	Grantees to provide starting in 2013
