Community Grants Application Information

The deadline for 2018 Community Grants is Monday, October 22 at 5:00pm MST.

Please attend the grant application training/webinar (information link below) and read the Grant Guidelines. For additional questions, contact April Montgomery, VP Programs at april@telluridefoundation.org or 970-728-8717.

To access a recording of the 2018 Community Grants Webinar, Click Here. All applicants are **strongly** encouraged to either attend the live webinar, which will be held September 10 at 10a.m., or listen to the recorded webinar, which will be available after September 10th

All applications must be submitted using our online grant system. You can access both the grant application, and a copy of grant application questions on this site. All grant communication will also occur via your personalized dashboard for this site, including award/denial letters, grant agreements, and progress reports.

The grant application will be available September 4, 2018
